

## PANEL AND FISHBOWL DISCUSSION

# Ute Friederici Breitig

## Artificial Intelligence

Results from the Thematic Tables  
10th International Partnership Meeting of the Danube Networkers  
10 July 2026 · Edwin Scharff House, Neu-Ulm

We were pleased to design our stool ourselves because that fits our topic perfectly. Our message is: human beings shape society. We should not allow ourselves to be shaped - not even by artificial intelligence. We can use AI while applying common sense and critical thinking to shape society responsibly.

We collected opportunities and risks and made them visible together in a creative way.

*Editorial note: This contribution was corrected and edited on the basis of an automatically generated transcript. Obvious recognition errors, technical interruptions, repetitions and purely organisational remarks were removed. The substance of the contribution has been preserved.*
